* This the draft program. There may be some changes on days and adding some other activities based on mutual consent.

Weather:

- The program will be carried out on one of the hottest days in Istanbul.
- The average temperature will be 28 celcius for day, and 18 celcius for night. The temperature may be reach to even 35 degree during the day.
- It is unlikely to have rainfall during these days. There will be sunshine during the program.

Money Currency: 1 € = 5 TL (appr.)

- Accommodation, meals, museum entrances will be covered by Pendik Municipality. On the othere hand for other personal expenses and presents that will be brought to Budapest will handle by participants.
- Considering purchasing power; Istanbul may be a bit cheaper than Budapest in terms of presents and other expenses. € 100 will be enough for children.

Health:

- Pendik and Istanbul have quite good in terms of health issues. Within 10 minutes, we can reach the neares hospital. There is not an epidemic issue.

Security:

- The police and other security institutions have been informed. The latest program will be shared with them. They will be aware of where our team will be exactly. At least two adults from Pendik Municipality will accompany with you each day. I assure you that Istanbul is safe as London and other European cities.

Activities:

- There will be at least one day for swinming in Princess Islands’.
- The sport activities’ number will be increased in the draft program. Football, basketball, volleyball, table tennis, swimming, (and we may add paintball).
- Please bring your clothes and shoes regarding to these sports.
- Turkish Art will be performed. Be ready for that.

Note for Hungarian Families:

- In June, Turkish children will be your guests. Please note that they are not able to eat pork related meals.
- Please do not offer foods and drinks includes Alcohol (even chocolate) and please do not drink while they are with you. (We are sure that you are already sensitive for that).
- Your children may bring some traditional Hungarian foods to Turkey (We won’t say no). Of course consider previous two sentences.
